Autumn 1

Curriculum Offer

Boy in the Dress by David Walliams

Dennis was different. Why was he different, you ask? Well, a small clue might be in the title of this book.

Our power of reading class reader this term will be this delightful, hilarious and thoughtful story. It will help us explore what makes us all unique and special, and discuss important issues of stereotypes and bullying. Dennis' friend Darvesh is a Sikh; we will also find out about Sikhism and the customs and practices that Sikhs follow.

Animals including

Humans!

Excuse me, are these your teeth?

Who did this poo? Am I a predator?...We will be discovering

Sikh beliefs and Lifestyle

Sikh practice in worship and in action. Beliefs and values.

What do the actions of Sikh worship mean? What do Sikhs say is good? How do they try to follow the teachings and examples of the Ten Gurus? What sorts

Sports

Daily Run: we will be going on a fun 10 minute **daily run** or walk every morning. This will help to exercise our bodies to stay healthy and stimulate our brains too! All classes will be practising their **netball skills**. In addition, 4B will be **swimming** this term and 4L and 4P will be learning **tag rugby** skills.

at the end of this term.

Place Value and Operators

Our focus in Maths this term will be on understanding how to use our existing skills on large numbers and on decimal numbers.

This will include mastering our formal written methods of addition, subtraction, short multiplication and short division.

We need to practice our mental maths especially times tables (both

French Chatterbox Challenge

Bonjour! On va apprendre le français! Using an online programme called Chatterbox will help us individually learn some French vocabulary in a 7 week Beginners Competition with prizes and certificates for those who do best! With their own logon username and password children will be able to do this at school in the
