

## Love To Learn, The Malcolm Sargent Way

18 September 2018

Dear Parent/Carer of Y1 Children

### **WELCOME TO YEAR ONE**

Welcome to everyone returning to us and to a few new faces too! I hope you have all had an enjoyable summer

I am delighted to be welcoming you as Year Leader. This year I am teaching Class 6, Miss Lister is teaching Class 5, and Mrs Thomson and Mrs Harrison are teaching Class 7.

I would like to start by apologising for the lack of communication so far and hopefully this letter will address some of your questions.

### **Curriculum**

The team has been busy over the holiday preparing our curriculum themes for the coming term. These themes will support the learning and good practice which is already taking place. This term's theme is 'Space.' We had a fantastic dress up day on 10 September!

At the start of each term you will receive a curriculum offer which will not only let you know the topic for the term but also advises you of any events or visits which may be taking place. This has just been sent out to you today and we apologise for the delay in sharing this with you.

### **Home School Diary**

At the back of your child's homework diary is a new reading challenge, which we hope they will take part in and enjoy.

### **Welcome to Year 1 Talk**

Please accept my apologies for the information about this talk not getting to you in time. Due to this being such late notice we are going to postpone the talk until Thursday 24 September between 1715 and 1745.

### **Class Performances**

We are in the process of rehearsing for our class performances of 'The First Kids In Space'. There will be a sticker in your child's diary with a line for them to learn for the play and also details of any costume they need to bring in. A separate letter about dates for these performances and tickets will be going out this week.

We all look forward to a happy and successful year together in Year 1.

Yours sincerely

Miss Cooper  
Head of Year 1
